MEMORANDUM TO DENTISTS

**COMPLETION OF CLAIM FORMS UNDER
DETERMINATIONS III; V – IX & XI
and FINANCIAL SUPPORT SCHEME**

All dentists are required to complete form DA1 and have this certified by their accountant. The completed form for **2019/20** should be returned to the BSO's Dental Payments Office, at the address indicated below, no later than **31 March 2021**. The accountants certificate will relate to the dentist's last full tax year, which for this year means accounts filed for the **2019/20** tax year. Failure to return the form DA1 form by this date may result in claims being withheld or the recovery of any claims paid. Claim forms in respect of the above mentioned Determinations should be completed as normal. Percentages indicated on a claim form will be checked against that certified on the form DA1.

If required, further DA1 forms can be obtained from the Business Services Organisation's Dental Payments Office. Future forms will be available to download from the Business Service Organisation's website.

If you have any queries regarding this matter, you can contact the Dental Payments Office by telephoning either 95 363741 or 95 363744.
