Brief description of the problem

Advanz Pharma has informed us of a discrepancy on the product packaging. The discrepancy relates to “capsules” printed at the top right of the packs in error (where this should be tablets). The other product details on the packs including the name, strength and pharmaceutical form of the medicine are correct.

Advice for healthcare professionals

Healthcare professionals are advised to exercise caution when dispensing the product. There is no risk to product quality as a result of this issue, therefore the associated batches are not being recalled at this time.
