

DRUG ALERT

CLASS 2 MEDICINES RECALL

Action within 48 Hours

Pharmacy and Wholesaler Level Recall

Dear Healthcare Professional

medac GmbH (t/a medac Pharma LLP)

Sodiofolin 50mg/ml Solution for Injection 100mg/2ml

PL 11587/0005

Batch Number	Expiry Date	Pack Size	First Distributed
B190132C	28/02/2022	1 x 1	15/07/2020

Active Pharmaceutical Ingredient: disodium folinate

Brief description of the problem

medac Pharma LLP is recalling the above batch of products due to some inspected vials showing hairline damage to the shoulder of the vials. So far, the company has not received any reports of damage for marketed products. However, as this defect may impact on the sterility of the product, the above batch is being recalled as a precautionary measure.

Advice for healthcare professionals

Stop supplying the batch above immediately. Quarantine all stock and return it to your supplier using your supplier's approved process.
