#### **Brief description of the problem**

Further to Drug Alert PHC/52/2020 issued on 11 November 2020, medac Pharma LLP is recalling further batches of products following inspection of vials showing hairline damage to the shoulder of the vials. So far, the company has not received any reports of damage for marketed products. However, as this defect may impact on the sterility of the product, the above batches are being recalled as a precautionary measure.

#### **Advice for healthcare professionals**

Stop supplying the batch above immediately. Quarantine all stock and return it to your supplier using your supplier's approved process.
