

DRUG ALERT

CLASS 2 MEDICINES RECALL

Action within 48 Hours

Pharmacy and Wholesaler Level Recall

Dear Healthcare Professional

hameln pharma ltd

Water for Injections BP – 100ml vial

PL 01502 / 0003R

Batch Number	Expiry Date	Pack Size	First Distributed
919503	05/2022	25 x 100 ml	12/11/2019

Active Pharmaceutical Ingredient: Water for Injections

Brief description of the problem

Following the identification, during routine ongoing stability studies, of out of specification (OOS) results for the parameters pH and Conductivity, hameln pharma ltd is recalling batch **919503** of the above mentioned product as a precautionary measure as remaining vials may no longer be in line with the licensed product specification. Please note, this recall is for **Water for Injections BP – 100ml vial Batch Number 919503** only and no other batches are affected. This batch has an expiry date of 05/2022.

Advice for healthcare professionals

Please quarantine any remaining stock of this batch and contact hameln pharma ltd customer services on +44 (0)1452 621 661 or customer.services@hameln-pharma.co.uk to arrange credit for any unused vials from this batch.

Replacement batches of Water for Injections BP – 100ml vials (product code: W100) are available from hameln pharma ltd and supplies will be maintained.
