

DRUG ALERT

CLASS 2 MEDICINES RECALL

Action within 48 Hours

Pharmacy and Wholesaler Level Recall

Dear Healthcare Professional

Teva UK Limited

Levothyroxine 12.5mcg Tablets

PL 00289/1971

SNOMED Code 33617611000001109

Batch Number	Expiry Date	Pack Size	First Distributed
214052	10 2023	28 tablets	20 July 2022

Active Pharmaceutical Ingredient: Levothyroxine Sodium

Brief description of the problem

Teva UK Limited is recalling the above batch of Levothyroxine 12.5mcg Tablets in response to a lower than required assay result discovered during routine stability testing.

Advice for healthcare professionals

Stop supplying the above batch immediately. Quarantine all remaining stock and return it to your supplier using your supplier's approved process.

No further action is required by patients as this is a Pharmacy and Wholesaler level recall. Patients should continue to take medicines from this batch as prescribed by your healthcare professional.

If you are taking this batch of product and you experience any adverse reactions or insufficient control of symptoms, please seek medical attention. Any suspected adverse reactions should also be reported via the [MHRA Yellow Card scheme](#).

Further Information

For any Levothyroxine stock enquiries please contact the Teva UK Limited Customer Solutions team on 0800 590 502.

For more information or medical enquiries, please contact Teva UK Limited by phone on 020 7540 7117 or by email to medinfo@tevauk.com

To report an adverse drug event to Teva UK Limited, please call 020 7540 7337, email uk.safety@tevauk.com or complete the online form at www.tevauk.com/Reporting-side-effects.

Recipients of this Medicines Recall should bring it to the attention of relevant contacts by copy of this notice. RQIA should bring this information to the attention of private hospitals/clinics registered with them and any other relevant care facilities.

The Business Services Organisation is asked to bring this information to the attention of Community Pharmacists and General Medical Practitioners directly.

Recipients of this Drug Alert should bring it to the attention of relevant contacts by copy of this letter.
