

MEDICINES RECALL

CLASS 3 MEDICINES RECALL

Action Within 5 Days
Pharmacy/Wholesaler Level Recall

Dear Healthcare Professional

Medreich PLC

Mebeverine hydrochloride 135mg Film-coated Tablets **PL 21880/0247**

Batch Number	Expiry Date	Pack Size	First Distributed
B11539	11/2024	100 tablets	25 August 2022

Active Pharmaceutical Ingredient: Mebeverine hydrochloride

Brief description of the problem

Medreich Plc UK is recalling the above batch as a precautionary measure due to out of specification results for tablet dissolution during routine product release testing.

Advice for healthcare professionals

Stop supplying the above batch immediately. Quarantine all remaining stock and return it to your supplier using your supplier's approved process.

Advice for patients

- No further action is required by patients as this is a Pharmacy and Wholesaler level recall.
- Patients should continue to take medicines from this batch as prescribed by your healthcare professional
- The Marketing Authorisation Holder has not received any reports of adverse reactions related to this issue. However, patients who experience adverse reactions or insufficient control of symptoms should seek medical attention. Any suspected adverse reactions should also be reported via the [MHRA Yellow Card scheme](#).

Further Information
