Dear Colleague,

COMMUNITY PHARMACY SERVICE: LIVING WELL CAMPAIGNS

1. - CAMPAIGN 2 (2021/2022) – Be Cancer Aware

The second campaign, “**Be Cancer Aware**” commenced on **1st August 2021**. This campaign is a Northern Ireland campaign that aims to help the public recognise the signs and symptoms of cancer and aid them in making lifestyle changes to reduce their risk of cancer

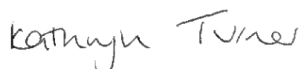

To aid this campaign, an information document, on the Faecal Immunochemical Test (qFIT) available through GPs in primary care, has been developed. The resource is to support education on qFIT for patients who present with bowel cancer symptoms. It includes an overview of qFIT, signposting to additional learning, and questions and answers that may help with patient conversations.

This resource will not be printed by PHA. It is attached as a PDF to this email for your own use. It is also available online at:

<https://hscbusiness.hscni.net/services/3035.htm>

Please encourage pharmacy team members to read this information and relay it to any patient who needs support.

Kind Regards

Kathryn Turner
