Pharmacy Level Recall

Dear Healthcare Professional

M & A Pharmachem Limited

Paracetamol 500mg Tablets, 1 x 1000

PL 04077/0001

Batch Number	Expiry Date	Pack Size	First Distributed
0110	Jun 2023	1 x 1000	06/09/2018
0174	Oct 2023	1 x 1000	14/03/2019

Brief description of the problem

M & A Pharmachem is recalling the above batches because a small number of pots from each batch have been found to contain discoloured tablets due to fungal contamination. The fungi have been identified as *Penicillium citrinum* and *Penicillium brevicompactum*. It is unlikely that any affected tablets will have got to patient level as the discolouration is noticeable on opening affected packs.

Advice for Healthcare Professionals and Wholesalers

Stop supplying the batches listed above immediately. Quarantine all remaining stock and return it to your supplier using your supplier's approved process.
