Dear All

**RE: MISSING PRESCRIPTIONS**

The Counter Fraud and Probity Services Department of the Business Services Organisation ask all Community Pharmacists to be vigilant for a potential batch of HS 21CS computer generated prescription forms, cypher number 6134 Out of Hours in Kilkeel, which could be missing.

Please be vigilant for hand written HS 21CS prescriptions prior to dispensing any medication. If you are presented with any of this type of prescription please contact Out of Hours Kilkeel on 028 3839 9201 and the PSNI on 101.

If you require any further assistance or if you are presented with any prescription which causes concern please do not hesitate to contact Counter Fraud and Probity Services on 028 95363852. Further advice can be found at <https://cfps.hscni.net/reportfmr/>

Thank you for your cooperation.

Yours faithfully

**GILLIAN McCUTCHEON**  
Senior Investigator
